RE: PUC Docket No. 56272 Compliance Report

Dear Commission Administrative Law Judge:

Windermere Oaks Water Supply Corporation (“Windermere”) submits its supplemented first compliance report in PUC Docket No. 56272 showing compliance with ordering paragraphs 3 and 4 in the Commission's Order in PUC Docket No. 50788.

There are two spreadsheets. The first spreadsheet has two worksheets. One for water credit and one for sewer credit. Each worksheet shows the account number, the number of months the surcharge and credits are applicable to that account, the total credited for each credit to date, and the individual credits by month. Totals are at the bottom of each worksheet. The second spreadsheet shows the exact same information as the first spreadsheet except it is for the surcharge and not the credits. Each spreadsheet shows the corrections that have been made to account numbers 799, 800, and 801 since the previous compliance report filing.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

THE CARLTON LAW FIRM, P.L.L.C.
