

Windermere Oaks Water Supply Corporation

Committed to Providing Clean, Safe Water for All Our Residents

WOWSC Members

On August 11, 2024, the PUC Commissioners signed Order 56273 which nullified the earlier PUC Filing 50788, filed in December of 2023. PUC 50788 was filed to recover additional Legal Expenses totaling some \$200,000.00.

At the time that it was submitted, Board member were confident that this would not be approved. It was filed *on behalf of* the WOWSC, rather than *by* the WOWSC. The WOWSC had full authority to reject this filing and did so. It has taken several months to work its way through PUC processes to finally come to this conclusion.

For further details see the Compliance tab on the Web, and review PUC Order 56273.

The Board is working diligently with the PUC on Compliance and other open items.
